

Fall Field Hockey Clinic

Grades 6-8

Whether you are learning the sport for the first time or are looking to improve your skills and knowledge, this clinic is perfect for you! Participants will be introduced to and taught the fundamentals of field hockey. Instructors will cover stick and ball handling, passing and receiving, shooting and game rules. The first half of the program will focus on skills and drills, while the second half will be game play. **Please Note:** Participants must wear a face mask and bring shin guards, a mouth guard, a field hockey stick and a water bottle. *There will be a limited supply of sticks available to borrow if needed.* Due to COVID-19, several new policies are required of all participants and their families. Please see page 2 for details. **Limit: 16.**

PROGRAM POLICIES RELATED TO COVID-19

- **If you or anyone in your household does not feel well for ANY REASON, please do not attend the program.**
- Please notify us if you or someone in your household tests positive for COVID-19 on the day of the program or in the 14 days immediately following the program.
- Please do not arrive more than 10 minutes before to the start of the program.
- Participants **MUST** wear a mask during non-active times, such as signing in and out, using the restroom and down time between drills and games.
- Sign in and out will be held at the field. Sign in and out will be contactless and conducted verbally. Masks **MUST** be worn by parents/guardians and participants during sign in and out. When signing in and out, please maintain social distance between yourself and others.
- Upon arrival, a daily visual and verbal health screening will be conducted by program staff.
- Hand sanitizer will be provided and available during the program. Hands must be sanitized after signing in, after using the restroom, before and after handling mouth guards and as needed.
- Peer-to-peer and instructor-to-peer contact will not be allowed during the program. No high-fives, first bumps, hugs or huddles will be allowed. Incidental contact may occur during controlled scrimmages, but will be limited and monitored by program staff.
- Equipment will not be shared to the best extent possible. Used equipment will be sanitized before and after the program and during the program as needed.
- Personal items, such as water bottles and personal equipment, will not be shared during the program.
- Participants must follow all staff directions to keep socially distanced throughout the program.
- Participants should bring all of their belongings with them when they leave - any items left behind will be discarded.
- **Policies are subject to change based on new local, State or Federal regulations. We will communicate any changes via email.**
